From fabric 12, cut:
(80) 3" squares

From Fabric 13, cut:
(6) 2" strips for inner border

From fabric 14, cut:

Construction

*Before beginning, see seam allowance note on page 3.

1. On the backs of the 3" squares of fabric 12, draw a diagonal line from corner to corner. Place a drawn square right sides together on the corner of 5-1/2" x 10-1/2" rectangle of fabric 1, in the top left corner. Sew directly on the line and press out. Trim the bottom 2 layers to 1/4". Repeat the same procedure to the bottom right corner, pressing out, making Block A. For fabric 2, follow this procedure except sew the squares on the top right corner and bottom left corner. Press the seams toward the center of the block to make Block B.

Block A

Block B

2. Refer to the table below to make Block A's and Block B's using the 11 fat quarter fabrics.

| Fabric # | Block A | Block B |
|----------|---------|---------|
| 1 | 2 | 1 |
| 2 | 0 | 4 |
| 3 | 3 | 0 |
| 4 | 1 | 3 |
| 5 | 4 | 0 |
| 6 | 4 | 0 |
| 7 | 0 | 4 |
| 8 | 1 | 2 |
| 9 | 3 | 0 |
| 10 | 0 | 4 |
| 11 | 2 | 2 |

3. Sew the blocks together in 5 rows of 4 Block A's and 4 Block B's, alternating Block A's and B's following layout of quilt. Press seams in each row in opposite directions. Press row seams down. Sew on the inner and outer border, mitering the corners.

4. Quilt, bind and enjoy!

*Seam allowance note: This pattern was designed using an accurate 1/4" seam. Before beginning, please precisely cut (2) 1-1/2" x 5" pieces of fabric. Stitch them together along the 5" edge. Press and measure across them at the midpoint on their length. They should be EXACTLY 2-1/2" across. If not, adjust your stitching and try again until correct.
