## Cutting Instructions for the Quilt

*Please note: all strips are cut across the width of the fabric from selvage edge to selvage edge.*

**From EACH of the (20) assorted fat quarters, cut:**

(3) 4" strips. Recut into (15) 4" x 4" squares.

*Note: this will yield a total of (300) squares. (216) squares are used for the quilt. The remaining (84) squares are enough to make the table runner and table topper.*

**From the cream buds, cut:**

(39) 2" strips. Recut (8) strips into (15) 2" x 21 $\frac{1}{2}$ " sashing pieces. Recut (22) strips into (432) 2" x 2" squares. Reserve the remaining (9) strips for the horizontal sashing pieces and inner border.

**From the pink large floral, cut:**

(7) 6" strips for the outer border.

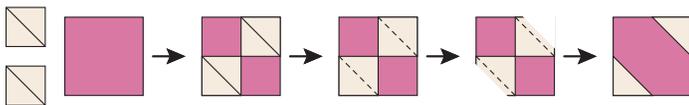

**From the pink houndstooth, cut:**

(8) 2 $\frac{1}{4}$ " strips for the binding.

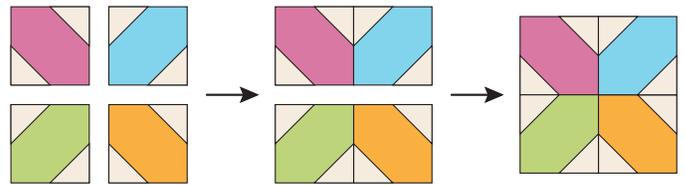

## Sewing Instructions for the Quilt

*All seams are sewn using 1/4" seam allowance with pieces held right sides together and raw edges even.*

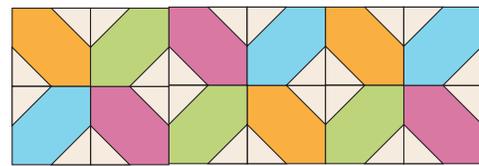

1. Draw diagonal lines on the wrong sides of (2) 2" cream buds squares. Right sides together, layer the marked squares in opposite corners of a 4" print square. Sew on the marked lines. Trim 1/4" beyond the seam lines and press the resulting cream triangles out to make the unit shown.

2. Repeat step 1 to make (4) print square units, using different prints for each of the 4" squares. Referring to the diagram at the top of the next column, arrange the units into (2) rows with (2) units in each row, noting orientation of all units. Stitch the units into rows and sew the rows together to complete (1) block measuring 7 $\frac{1}{2}$ " from raw edge to raw edge in both directions.

3. Repeat steps 1 and 2 to make a total of (3) blocks.
4. Stitch the (3) blocks from step 3 together, side by side, to make (1) block group.

5. Repeat steps 1-4 to make a total of (18) block groups.
6. Using the quilt pictured on the cover as a guide, stitch together (6) block groups from step 5 and (5) 2" x 21 $\frac{1}{2}$ " cream bud sashing pieces, alternating the two types of units, to make (1) block row. Repeat to make a total of (3) block rows.
7. Trim the selvages from the (9) 2" cream buds strips. Sew the strips together end to end to make a long 2" strip. From this long strip, cut (2) 50" lengths (*if your measurements are different, cut to fit your quilt top*).
8. Stitch together the (3) block rows and the (2) 50" cream bud strips cut in step 7, alternating the two types of units, to complete the quilt center.
9. From the unused portion of the long 2" cream buds strip made in step 7, cut (2) 66 $\frac{1}{2}$ " and (2) 53" lengths (*if your measurements are different, cut to fit your quilt top*). Stitch the longer pieces to the left and right sides of the quilt top. Stitch the shorter pieces to the top and bottom.
10. Trim the selvages from the 6" outer border strips. Sew the strips together end to end to make a long 6" strip. From this long strip, cut (2) 69 $\frac{1}{2}$ " and (2) 64" lengths (*if your measurements are different, cut to fit your quilt top*). Stitch the longer pieces to the left and right sides of the quilt top. Stitch the shorter pieces to the top and bottom.
11. Layer the completed quilt top with batting and backing and quilt as desired.
12. Bind the finished quilt using the 2 $\frac{1}{4}$ " pink houndstooth strips.
