Piecing: All seams are ¼" unless noted.

1. Sew the 3½" x 20½" pieces together in pairs, sewing along short sides to make units 40½" long, using 2 different fabrics for each pair. Make 24 pairs.

2. Select 12 pairs. Sew a 14¼" white piece to one end and a 6¼" white piece to other end of each pair. Press seams toward pair. Label these units as #1.

3. On the remaining 12 pairs, sew a 12¼" white piece to one end, and an 8¼" white piece to the other end of each pair, pressing seams toward pair. Label these units as #2.

4. Choose 2 units from step 2 and 2 units from step 3. Sew them together in the following order: #1, #2 rotated 180°, #2, #1 rotated 180°

Press the seams in one direction. Repeat with the remaining units to make 6 segments of 4 units each.

5. Sew the 6 segments together. The quilt top should be approximately 60" wide x 72" long.

6. Layer the prepared backing, batting and quilt top. Baste and quilt as desired. Trim edges even with quilt top.

7. Trim the reserved strips to 2" wide and sew end-to-end with mitered seams. Press in half wrong sides together. Sew to edges of quilt, turn and stitch in place.
