Batting: Cut 2 pieces 8 ½" x 14 ¾". Cut 1 piece 8 ½" x 37". Cut 2 pieces 1" x 20".

Construction

Sew with ¼" seam allowance except when otherwise specified. Sew fabrics right sides together. Press each seam as you sew.

1. Pin the 2 orange pocket pieces right sides together and sew all around, leaving a 2" opening on one edge. Turn right side out, press and hand stitch 2" opening.
2. Pin the pocket to the right side of one black piece. Sew ⅛" from the edge on both side edges and the bottom edge of the pocket.

3. Pin each of the 2 black pieces and the long 8 ½" wide green piece onto the batting pieces of the corresponding sizes, with the fabric right side up. Sew the pieces to the batting in your choice of quilting pattern or using free motion quilting. Do not quilt the pocket.
4. Pin the long 8 ½" wide green piece to the sides and bottom edge of the piece with the pocket, RST. At the bottom corners, clip in the seam area of the side panel for ease in turning. Repeat to sew the remaining black piece to the other long edge of the green piece. Trim end if any excess fabric remains.

5. Repeat #4 above to sew the lining with the floral pieces. The lining is not quilted.
6. Lay a 1" wide batting piece centered on back side of one orange 3 ¼" wide piece. Wrap the side edges of the fabric over the batting and fold back a hem on the top fabric edge. You may have to adjust the fabric so that the folded hem is next to a side edge. Pin and sew around the strap ⅛" from the side edges. Repeat to make 2 straps.
7. Lay the bag unit flat, right side out. Align both ends of one strap to one top edge about 4" apart and pin. Repeat with the other strap, pinning to the top edge of the other side of the bag. Stitch across the strap ends to secure to the bag.
8. With the lining turned wrong side out and the bag turned right side out, place the bag inside the lining. Align the top edges and pin. Sew top edges with a ½" seam allowance, leaving a 4" opening between the straps on the back side.

9. Turn right side out through the opening and press seam flat. Hand stitch the opening. Pull the straps up and top stitch around the top edge of the bag ¼" from the edge and going through all layers except the straps.
