- Trace forty-eight copies of the orange peel pattern shape onto paper backing of the fusible web. Cut each shape $\frac{1}{8}$ " outside the outline and following the manufacturer's instructions, fuse to the wrong side of the strip sets placing eight orange peel shapes vertically across each strip set. Cut on the marked outline and remove the paper backing.
- Referring to the chart, select the requisite 9" background square (B8163 Winter or B6170 Arctic), and fuse one orange peel shape diagonally across the square, leaving $\frac{1}{4}$ " seam allowances for block construction. Appliqué with monofilament thread using a tiny zigzag stitch. Make a total of forty-eight 9" blocks, eight of each colorway.
- Mark two diagonal lines on the wrong side of the $5\frac{3}{4}$ " B8168 Ice squares. Layer a marked Ice square atop a $5\frac{3}{4}$ " B8786 Deep square. Stitch $\frac{1}{4}$ " on each side of the marked lines, cut vertically and horizontally to make four equal squares, then cut each square on the drawn lines to make eight half-square triangles (HST). Repeat with the remaining Ice and Deep squares to make a total of (184) $2\frac{1}{2}$ " HST. Press open and trim dog ears (*figure 1*).

Quilt Top Assembly

9. Following the quilt photo for block placement and orientation, lay out eight rows of six appliquéd blocks each. Sew the blocks together in each row, then matching adjacent seams, sew the rows together in order.
10. For border 1, join the four 2" × WOF B8168 Ice strips end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top. Press the seams toward the border. In the same manner, join the three 2½" × WOF Ice strips. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.
11. For border 2, arrange twelve step 8 blocks for each side of the quilt. Sew the blocks together and sew one border strip to each side of the quilt center. Press the seam toward the quilt center.
12. Repeat step 11 with eleven blocks for each strip and sew one border strip to the top and one to the bottom of the quilt center.
13. For border 3, sew eight 1½" × WOF B8168 Ice border strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.
14. Repeat step 13 with the nine 4½" × WOF B8786 Deep strips to make and add border 4.
