Making up the blocks

Block 1 & 2 are made up in the same way.

Block 1

Block 2

For block 1 take your strips of fabrics 8 and 9 and sew together along the length of the strips. You need to sew four sets together, plus half the length of the strips. Next cut a 3" x 3" square. In total 52 squares

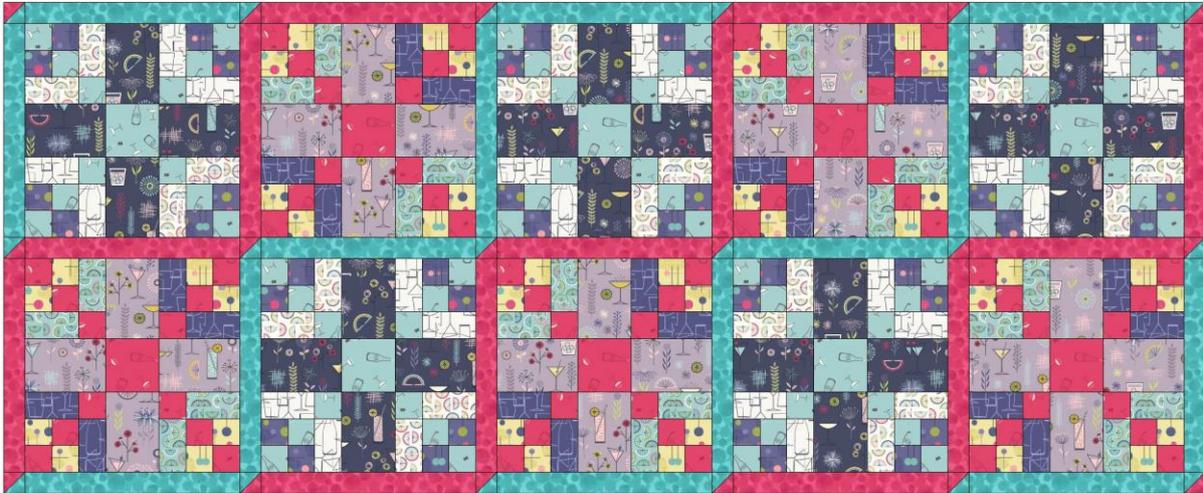

Lay out all the pieces for the blocks. Made up the corner square, sew a small strip to the square, next stitch the small square to the strip and sew this to the corner square. Now sew in rows and then sew the rows together to make the block. Stitch 13 blocks in total.

For block 2 take fabrics 7 and 10 together and sew the strips together, only four strips this time. Make as before for block 1, 12 in total.

Sashing

Take you square of fabric 11 & 12, draw a diagonally line on the back of one of the squares. Stitch a ¼" seam each side of the line, cut on the line press and trim to size. 1½" square you need 36 in total.

Lay out your blocks and sashing pieces as in the main diagram.

Stitch in rows and then the rows together to complete the quilt.

Quilting

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size.

Binding

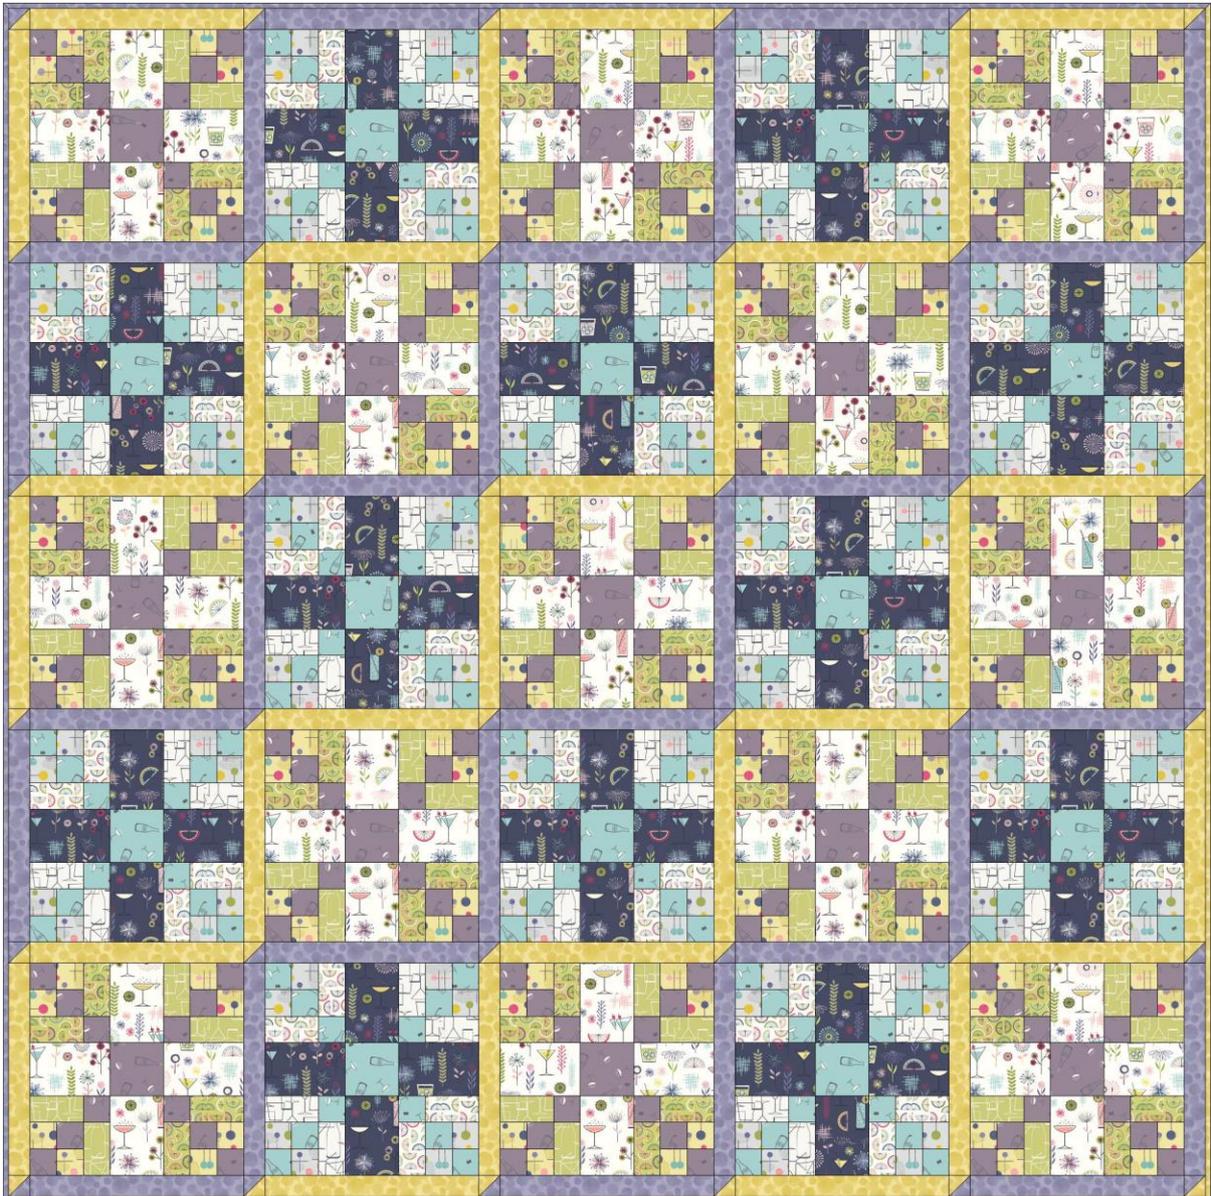

Use your favourite method from fabric 12 to bind the quilt.
