Quilt Assembly (refer to the quilt layout while assembling the quilt top)

11. Sew (4) Block One rectangles and four Block Two rectangles together, alternating them, to make Row One. Repeat to make Rows Three and Five.
12. Sew (4) Block Two rectangles and four Block One rectangles together, alternating them, to make Row Two. Repeat to make Row Four.
13. Sew the five rows together to make the Center Block.
14. Center one 3" x 89" Fabric K strip (Blue for Version 1 and red for Version 2) on one side of the Center Block and pin in place. Start sewing the strip a ¼" from the top edge of the block and stop a ¼" from the bottom edge. DO NOT TRIM THE EXCESS. Repeat with the opposite side.
15. Repeat Step 14 to sew one 3" x 73" Fabric K strip (Blue for Version 1 and Red for Version 2) to the top and to the bottom of the Center Block, making sure to stop and start ¼" away from each end of the block. To miter each corner, fold the Center Block on a diagonal, wrong side together. This should line up the strips from adjacent sides (Fig. 11).
16. Starting at the sewn seam (represented by the arrow in Figure 11), draw a 45-degree line to the edge of the fabric. Sew on the drawn line. Trim the excess fabric leaving a ¼" seam. Repeat this step with the remaining corners.
17. Sew one 5 ½" x 85 ½" Fabric M strip (Fabric E for Version 2) to each side of the Center Block. Sew one 5 ½" x 79 ½" Fabric M strip (Fabric E for Version 2) to the top and to the bottom of the Center Block to make the quilt top.
18. Layer and quilt as desired.
19. Sew the nine 2 ½" x WOF Fabric L strips together, end to end with 45° seams, to make the binding. Fold this long strip in half, lengthwise with wrong sides together, and press.
20. Bind as desired.
